

Commission Disclosure

We are a credit broker and not a lender. We can introduce you to a limited number of lenders and their finance products which may have different interest rates and charges. We are not an independent financial advisor. We will provide details of products available from the lenders we work with, but no advice or recommendation will be made. You must decide whether the finance product is right for you. We do not charge you a fee for our services. Whichever lender we introduce you to, we will typically receive commission from them (either a fixed fee or a fixed percentage of the amount you borrow). The lenders we work with could pay commission at different rates. However, the amount of commission we receive from a lender does not have an effect on the amount you pay to that lender under your credit agreement.”
